Subject: Web Site

Hi John!

I've had several teachers interested in using the Qwiki tool I shared with them over the weekend, but it's blocked... Could you "white list" it – at least for teachers?

<http://www.qwiki.com>

It's basically a multimedia search engine, so I'm not sure why it would be any different than a Google, Bing or Yahoo search... Hmmmm!

Thanks!
Jamie ☺
